Chair's Report

Ingrid Puzey

2023 saw West Australian Ballet return to the stage with renewed vigour after three years of lockdowns, performance cancellations and postponements brought on by COVID-19. The support and enthusiasm of our audience, the generosity of our philanthropic, corporate and government partners, along with the resilience and determination of all our people over the past year enabled us to successfully achieve our ambitious plans.

We presented six seasons, embarked on a three-stop regional tour and celebrated several important milestones throughout 2023, including 30 years of performing at the Quarry amphitheater in City Beach, 15 years of philanthropic support for our Campione program and our highest ever box office results for our pre-Christmas season of *The Nutcracker*.

In 2023, we continued to expand our presence beyond the stage. In addition to our regional tour, our Access and Outreach team connected with individuals from all over our vast state, offering the chance to engage with the magic of ballet through classes and experiences that are transformative.

I express my appreciation to WAB's Artistic Director, Aurélien Scannella who we farewelled at the close of the year. Since joining the company in 2013, his leadership has resulted in growing the company repertoire, number and diversity of dancers, attracted world-renowned choreographers, and gaining international recognition for popular new works like *Dracula*, *Swan Lake* and *echoes of VAN GOGH*. On behalf of the Board, we thank Aurélien for his significant contribution during his decade-long leadership; his ambition and tenacity have made the company what it is today and created a legacy of artistic vibrancy for future seasons.

I wish to extend our appreciation to the Department of Local Government, Sport and Cultural Industries (DLGSC), for their support as our primary grant funder. Their ongoing support has been instrumental in enabling us to continue our mission of bringing world-class ballet performances to audiences across Western Australia. Furthermore, we are grateful for the support of the Federal government through Creative Australia, and warmly welcome the National Cultural Policy - Revive, recognising its potential to further invigorate and support the cultural landscape in which we thrive.

We are incredibly moved by the generosity of our corporate partners and philanthropic supporters, who continue to provide vital financial support to our company. Their generosity, bequests and donations, boundless interest and enthusiasm, is a lifeblood for us. Their commitment to the arts has been

instrumental in our success, and we are grateful for the contributions from Lead Partners Woodside Energy whose sustained support enables us to continue work in regional Western Australia and in education, Wesfarmers Arts and Hanrine Foundation.

I would also like to express my sincere gratitude to our Joint Patrons, the Honourable Chris Dawson AC APM, Governor of Western Australia, and Mrs Darrilyn Dawson. I would also like to recognise the leadership of our Philanthropic Giving Circles by our Patron of Private Giving Alexandra Burt.

In 2023, the VAN GOGH Campione raised nearly \$300k towards the build of our first, full length contemporary ballet. In addition to the ongoing generosity we receive towards the Annual Giving fund, support of the Pas de Deux program continues to flourish, and I would like to acknowledge Bruce and Charmaine Cameron who committed to two positions in 2023. I want to express my gratitude to those who have fulfilled (and continue to fulfil) their pledges to our Endowment Fund. The Endowment Fund serves as the foundation for securing the future of our company and empowers us to confidently pursue our purpose. With a new

strategy to grow the Endowment on the horizon in 2024, our commitment to a community enriched by dance for another 70 years burns bright.

I extend a warm welcome to our new Board members Alan R. Dodge AM, Andrea Morgan, and Tanya Rybarczyk, and extend deep thanks to departing Board member John Palermo, our Deputy Chair. John made a significant contribution during his time on the Board, including as Chair of our Investment Committee, stewarding WAB's Endowment Fund to secure our future. Together with the Board, I wish to particularly thank Executive Director Lauren Major for her exceptional leadership over a very busy year. We thank the entire company for their positive, professional and tireless commitment to WAB

Finally, I want to welcome Guest Artistic Director David McAllister AC to WAB. David, who joins us following his appointment as interim Artistic Director of Royal New Zealand Ballet, brings with him a wealth of knowledge and experience as an acclaimed dancer and choreographer, and the longest serving artistic director at The Australian Ballet. David's leadership and guidance during a period of transition will ensure the company is on a new and exciting path for years to come.

Artistic Director's Report

David McAllister AC

I feel a great sense of pride to be here at West Australian Ballet, years after my love for ballet was ignited in Perth. It is humbling and a privilege to be welcomed as Guest Artistic Director to share my knowledge during this period of transition and support WAB to find a new Artistic Director.

Last year marked the culmination of an exciting era as Aurélien Scannella finished his tenure as Artistic Director. I join all of the company and our legion of supporters in congratulating Aurélien on the strong contribution he gifted to the company during these past years. His ambition and tenacity over the last decade have left a legacy of artistic vibrancy and the highest technical standards.

His leadership has been instrumental in expanding the company's repertoire, growing the number of dancers, drawing the attention of international choreographers and international recognition for popular new works such as *Dracula*, *Swan Lake* and *echoes of VAN GOGH* – which saw Aurélien realise a long-held dream to create a narrative contemporary ballet at WAB.

In addition to the world premiere of *echoes of VAN GOGH* - from an all-Dutch creative team of choreographer Wubkje Kuindersma, set, video and costume designer Tatyana van Walsum, dramaturge and librettist Janine Brogt and composer Anthony

Fiumara - audiences were treated to a diverse program of popular favourites, neo-classical and classical pieces throughout 2023, working with creatives from all corners of the world.

WAB welcomed back Polish choreographer Robert Bondara to Quarry to stage *Verses* and *Persona [Fratres]*, for the first time in Australia. The Australian premiere of *IN Cognito* from Helen Pickett offered a unique perspective, as did the world premiere of *Open Heart Story* from Australian choreographer Alice Topp.

Ballet to Broadway provided an opportunity to see three exciting works as Javier Torres returned to recreate an excerpt from *Raymonda* while we reprised Balanchine's *Who Cares?*, and a beautiful pas de deux from *Sylvia* choreographed by Aurélien and Sandy Delasalle-Scannella.

STATE welcomed Melanie Lane and our own Adam Alzaim back to the stage with extended versions of their original 2020 *STATE* works. Adam, along with nine company dancers, presented their own creations in *Genesis* – a season dedicated to fostering the next generation of choreographers. Finally, the much-loved production of *The Nutcracker*, provided another change to enjoy the classic gem filled with glorious dancing and a touch of much colour and magic to close the year.

On behalf of Aurélien I would like to thank our wonderful dancers. I would also like to acknowledge the dedication and artistry that goes on behind the scenes and highlight the passionate work of our Artistic, Production and Wardrobe, and Administration teams.

I am sure Aurélien would also like to thank our community of supporters for your enduring trust and commitment. Without the support from our audiences, patrons, donors, partners, alumni, stakeholders and advocates, ballet doesn't thrive.

I am so loving my time here in Perth and am proud to be part of the passionate and committed team at WAB who continue to nurture the artistic talent within the company and grow our repertoire into the future.

Executive Director's Report

Lauren Major

2023 was marked by both triumphs and challenges. We saw our highest-grossing season in our history with *The Nutcracker* earning \$1.8million. However, the company faced significant financial challenges, finishing the year in deficit.

We farewelled Artistic Director Aurélien Scannella, after a decade with the company. I thank Aurélien for his dedication and passion, and extend my thanks to everyone for their support during this period of change.

IN Cognito: Ballet at the Quarry, *Genesis* and *The Nutcracker* were highly successful, however the challenges faced during the season of *Ballet to Broadway*, *STATE* and *echoes of VAN GOGH* had a significant impact on the company's financial results. Despite this, *echoes of VAN GOGH* was an incredible showcase of the company's ambition and tenacity, bringing the life and work of one of the world's most famed painters to Perth in a world premiere. We received overwhelming praise from audiences and critics alike.

West Australian Ballet is so much more than the sum of its parts. We seek always to drive our art form forward, while acknowledging the legacy that is our solid foundation. To those who have helped build our company, our Alumni and Honorary Life members, we thank you. We acknowledge too the support of the State Government through the

Department of Local Government, Sport and Cultural Industries and the Federal Government through Creative Australia as our primary funders.

WAB generates approximately 60% of our income, through box office sales, philanthropic support and corporate contributions. We thank our wonderful audiences who continue to come to the theatres we perform in. We are also grateful to all of those who contribute through our philanthropic programs, including our now 15 year old Campione program to support new work, our Young artist and Pas de Deux programs which nurture on stage artists at West Australian Ballet, our Annual giving programs and of course our Endowment Fund which is the basis for a thriving future for our Company.

I also acknowledge the generous support of our sponsors throughout the year, including Lead Partners Woodside Energy, Wesfarmers Arts and Hanrine Foundation. and long time Grand Allegro Partners Seven West Media and Singapore Airlines.

WAB is committed to enriching people's lives through dance beyond the stage, with 27,000 Adult Ballet Class participants and 12,000 participants through Community Dress Rehearsals, Schools Matinee Performances, Chance to Dance (both metro and inner-regional), Youth Dance Collective, Project 10, in-schools workshops (both regional and metro), Storytime Adventures (both regional and metro), school visits to West Australian Ballet Centre, Masterclass and Ballet Training Program participants, Junior Members and Open Fridays.

A particular highlight was the Youth Dance Collective opening our regional tour in Karratha. In addition to Karratha, our dancers toured Bunbury and Mandurah, performing excerpts from our repertoire including our groundbreaking *Swan Lake*. In 2023 we visited 8 metropolitan and inner regional schools to introduce children to the joy of dance, thanks to the generosity of the Stan Perron Charitable Foundation and Woodside Energy.

I would like to acknowledge our Board, who have steadfastly guided the company through this period of change. Finally, I would like to add my welcome to Guest Artistic Director, David McAllister AC. We are so grateful for your time with us as we secure the sustainability and future growth of the company.

Financial Performance

Financial Sustainability

A key strategic priority for WAB is to achieve greater financial strength and sustainability by diversifying and growing income streams whilst streamlining costs. This will allow us to invest further in the development of artistic vibrancy and provide broader access to the joy of storytelling through music and dance across our vast state and beyond.

Underpinning and enabling these strategies is a sustainable and robust operating model supported by a strong governance framework and practices, quality corporate support and maintenance of appropriate working capital and reserves.

2023 Financial Sustainability

WAB's result for the 2023 financial year is a deficit of \$2.2 million. The impact of rising employment and production costs, inflationary pressures and static and declining income in some major funding streams continues to impact the financial results of the company. The investment of reserves in 2022 into increased dancer numbers is also evident with the dancer numbers remaining at the same level in 2023. This reflects the company's continuing investment commitment in artistic development.

Box office results in 2023 were mixed. Whilst *Ballet at the Quarry: IN Cognito* and the November/December season of *The Nutcracker* were highly successful, challenges in the May season of *Ballet to Broadway* and September season of *echoes of VAN GOGH* had a material impact on the overall company result.

In 2023 earnings from our Endowment fund contributed \$226k to supporting the increased number of dancers and other operational expenditures. Additionally, we received \$534k in earnings from the preserved gift of FMG shares. WAB is grateful to the Forrest family for providing us with this ongoing stream of income.

Our Endowment Fund continues to grow, with contributions in line with pledges. It is important to note that Endowment gifts received are restricted gifts that have been set aside to support the future of the Company. In 2023, Endowment income of \$531k was received. This income is reflected in the 2023 financial year deficit result of \$2.2 million.

Box Office Revenue

Cost of living pressures and increased competition from touring shows paused during Covid presented challenges for 2023 box office income.

Ambitious box office targets were set for 2023 with \$4.5million budgeted and \$4.0million achieved which was consistent with the 2022 result of \$4.0 million and remains the second-highest annual box office revenue in WAB's history to the \$4.9 million achieved in 2021.

IN Cognito: Ballet at the Quarry was extended by a week in 2023, and as a result achieved \$778k in box office sales; the highest selling Ballet at the Quarry season in WAB's history, narrowly missing its ambitious target.

Ballet to Broadway and *STATE* were not successful at the box office, with heavy ticket discounting employed to boost audience numbers. Ticket sales for *echoes of VAN GOGH* while initially slow, increased after positive critical responses and word of mouth.

Genesis and *The Nutcracker* both exceeded box office targets, with *Genesis* bringing in \$76k in revenue and *The Nutcracker* \$1.8million, the highest grossing season in WAB's history.

Government Grants

Government Grants represent 35% of total income. The cessation of RISE funding provided in 2021/22 to support our production of *Swan Lake* and the associated Swan Education Project, saw a reduction in Government Grants from \$5.1 million in 2022 to \$4.5 million in 2023.

WAB is supported by the Federal Government through Creative Australia (previously known as Australia Council) with a grant of \$849,000 and the Government of Western Australia through the Department of Local Government, Sport and Cultural Industries grant of \$3.3 million. In 2023 WAB also received Department of Local Government, Sport and Cultural Industries project grant funding to support the State Tour and a Covid 19 Federal Supplement.

Philanthropy

During a year of change and transition, the generosity of our donors demonstrated their unwavering commitment to the company; and the importance of our work within the community.

We continue to be humbled by the leadership of Patron of Private Giving Alexandra Burt and husband Julian, whose philanthropy, in addition to their advocacy, galvanise our giving community.

In 2023, donations provided 14% of our income. The combined impact of philanthropic giving, including the dividends of both the Endowment Fund and Gifted Share Income, is almost 20%, an incredible amount.

Our company would look very different without philanthropic giving, and we cannot thank our donors enough for their incredible support of WAB which is both significant and vital.

Annual and Specific Purpose Funds

Supporting Aurélien's final, full-length commission for WAB, the VAN GOGH Campione collectively raised nearly \$300K toward the costs of this build. We particularly recognise Jamelia Gubgub and David Wallace, Marilyn Burton and Helen and Michael Tuite for their Lead Campione support and would like to take the opportunity to honour the contribution of the Campione over the past 15 years who have raised a cumulative total of \$3.6 million dollars towards the creation of new ballets.

Gifts received towards the Pas de Deux and Young Artist Scholarship programs continue to gain momentum and have an ever-increasing impact on our ability to maintain the size of our troupe. We are proud to acknowledge that in 2023 the positions of eight full-time dancers were supported through Pas de Deux, in addition to the full costs of our Young Artists, with a combined contribution of \$427K. Three Foundation Partners contribute significant grants towards these programs and have done so for many years. We thank the McCusker Charitable Foundation for their lead support of the Pas de Deux program, underwriting the position of Corps de Ballet dancer Asja Petrovski; Lead Partner Wesfarmers Arts who support two Young Artist Scholarships per year and have supported WAB for over three decades, and the Simon Lee Foundation who also support two Young Artist Scholarships and have been supporting WAB since 2008.

The Chance to Dance program provides children at low socio-economic schools and those experiencing disadvantage, the opportunity to experience dance and a live ballet performance. The Stan Perron Charitable Foundation has been supporting Chance to Dance since 2019 and in 2023, more than doubled their support towards this transformative program. We thank the Foundation for this incredible contribution which has enabled us to grow both the delivery and outreach of the program in 2024.

Endowment Fund

\$451K of capital gifts were received toward the Endowment in 2023, the majority of gifts being the fulfilment of generous pledges made during the 2019 Matched Giving Campaign. As supporters come to the end of their pledges, many have expressed continued support of the Endowment as part of their annual contribution to the company, a desire which we are delighted to see increase in 2024 and beyond.

\$81K was received in bequests, including a generous bequest from the Estate of Gillian and Tony Milne which is now preserved in the Endowment and whose dividends are supporting a Young Artist Scholarship.

As at 31 December 2023, the Endowment corpus totalled \$7.4 million with total earnings of \$226K to the company, not including franking credits which are calculated and received on the basis of a financial year.

In 2024, these funds will be directed according to donor nominated areas of access and outreach programs, Artistic positions, new work and general operations. We recognise the ongoing impact of the Endowment created by the Bendat Family Foundation now totalling \$1.6 million, the earnings of which underwrite a Young Artist position annually.

The Endowment Investment Committee has maintained a defensive approach during 2023 with the expectation that markets would be challenged by slowing global growth, tightened monetary policy, increasing cost of capital, and a softening of earnings for listed companies.

It is the intention of the Endowment Investment Committee that by the end of 2024, most of the cash within the Endowment will have been deployed into income generating investments, delivering a predicted and increased annual return of 5.5% across the Corpus.

Endowment Gifts by Year

Gifted Share Income

The company received income in 2023 of \$534K largely due to fully franked dividends paid on the Fortescue Metals Group Limited shareholding. We are incredibly grateful to the Forrest family and the Minderoo Foundation for its visionary support of the company in this way.

Corporate Partnerships

Corporate Partnerships continued to be integral to the mix of funding for WAB's artistic, touring, education and outreach activities in 2023. The Corporate Partnerships team saw a slight reduction in revenue from cash sponsorships however, reflecting the tough post-pandemic economic environment.

Woodside Energy has realigned its support to help sustain our state-wide outreach through the creation of a new regional development fund, and to assist with providing access to dance for schoolchildren in low socio-economic areas by supporting the Chance to Dance program for the first time. While a committed network of corporate partners continued to provide funding through both cash income and contra cost off-sets, the overall number of partners in WAB's portfolio reduced.

Contra relationships were substantially streamlined in 2023, with several partnerships drawing to a natural close and others ending to allow us to focus on exchanging contra to target our most significant operational costs. We thank CY real estate agency, Champagne Barons de Rothschild, Smales jewellers, Wunderman Thompson, Lush the Content Agency, Evnto, Wilson Parking, and Lester Blades whose in-kind sponsorships concluded at the end of 2022.

Longevity of partnerships continued to be the dominant theme in 2023, with Singapore Airlines once again increasing their sponsorship post-COVID and returning to 'Grand Allegro' partner status, helping WAB to fly in artists and creatives from around the world. Likewise, the City of Perth increased grant funding in 2023 to help sustain key access and inclusion initiatives like WAB's Community Dress Rehearsals and Schools Matinees.

Wesfarmers Arts continued to lead the charge supporting WAB's overall artistic program, and long-term partners Seven West Media, the Hanrine Foundation (formerly the Roy Hill Community Foundation), Healthway, JCDcaux, EY, Future Logic, Grace Removals, Lux Events, Mitsui Iron Ore

Development, BDO, the InterContinental Hotel Perth, Howard Park Wines, the Simon Lee Foundation, the City of Karratha, the City of Kalgoorlie-Boulder, Wise Wines, Voyager Estate Wines, Good Drinks (Gage Roads and Matso's), Bannister Downs and Quest West End continued to stand beside us in support of our metropolitan and regional programs, regional performance tour and events.

Several new partnerships launched in 2023, with Northern Star Resources joining the portfolio from July in support of WAB's regional dance engagement program in Kalgoorlie-Boulder. SKG Radiology, IGA X-Press Maylands and Plico Energy joined later in 2023, to support dancer wellbeing and to help kick-start WAB's sustainability journey respectively.

The Embassy of the United States provided a generous grant in 2023 to help WAB underwrite the costs of music licensing for the Ballet to Broadway season, and we were delighted to welcome US Consul General, Ms. Siriana Nair to Perth and a group of engaged young professionals to our Partnerships Soiree for the production from the networking group the Ben Franklin Club.

Sustainable Operating Model / Governance

The Board under the Constitution of West Australian Ballet has the responsibility for the strategic leadership and oversight of every aspect of the company's activities and financial management. This includes:

- Setting the strategic direction for the company and the approval of all business plans and budgets.
- Monitoring the implementation of the strategic plan.
- Reviewing outcomes achieved against agreed objectives.
- Ensuring compliance with all relevant legislation and regulatory standards including all employment and occupational health and safety laws.
- Ensuring the company has adequate policies and procedures in place to cover all aspects of its operations.
- Ensuring that risk management processes and risk mitigation strategies are in place.
- Setting ethical standards for the company and monitoring organisational culture against those ethical standards.

The Board met six times in 2023 with an average 91% attendance. To assist the Board in its work, we recognise our various Committees and Sub-Committees who have been established as working groups behind the scenes to support our activities and operations. We acknowledge the great contribution made by individual Board Directors who supported the overall results and achievements of the company in 2023.

Expertise: Financial Accounting, Philanthropy, Marketing

Andrea is a seasoned financial professional with over three decades of experience in the industry. She is a Private Client Adviser at Morgans, Australia's largest national full-service stockbroking and wealth management network with more than 500 authorised representatives operating from offices in all states and territories.

Her journey began in 1986 at Town & Country Building Society, where she laid the foundation for her extensive expertise in financial management. Throughout her career, Andrea has held pivotal roles at leading firms, including stockbrokers Porter Western Limited and Macquarie Financial Services, where she cultivated her passion for equity market management. In 2011, Andrea attained the Tier 1 Adviser Compliance Solution from Kaplan, further enhancing her credentials in the field. She possesses approved competencies in financial planning, generic financial advice, managed investments, margin lending, securities, and superannuation.

Additionally, Andrea is currently a member of The Salvation Army Western Australia, Divisional Advisory Group and The Salvation Army Western Australia, Corporate and Philanthropic Advisory Group. She is currently on the Board of Enjoy the Journey Foundation Ltd. Previously Andrea spent 7 years on the board of Nyoongar Wellbeing and Sport and was nearly 4 years on the board of Parkerville Children and Youth Care.

Tanya Rybarczyk

Appointed: August 2023

Elected: To be elected

Expertise: Finance, Strategy, Business Management

Tanya has been with Wesfarmers for over 20 years and is currently the General Manager at Kleenheat, a position she was appointed to in 2021.

She has held various positions in the company across business development, private equity and investor relations before joining Wesfarmers Chemicals, Energy & Fertilisers in 2011 as Chief Financial Officer. Prior to Wesfarmers, Tanya worked at Ernst & Young and for a number of businesses in Europe.

After completing a Bachelor of Commerce, Tanya furthered her studies and is a Chartered Accountant, has a Graduate Diploma in Applied Finance and Investment, is a Leadership Western Australia Fellow and Graduate of the Australian Institute of Company Directors.

With more than 30 years' experience, Tanya has expertise in business management, finance, strategic planning, investor relations and accounting.

She is also the Director of the board and Treasurer at Gas Energy Australia and previously served as Chair of Fertilisers Australia and Treasurer and Director of CommunityWest Inc.

West Australian Ballet Company (Inc) 2023 Financial Report

WEST AUSTRALIAN BALLET COMPANY (INC)
ABN : 55 023 843 023

DIRECTORS' STATEMENT

In accordance with the resolution of the directors of Western Australia Ballet Company (Inc), we state that in the opinion of the directors:

- a) the company is not a reporting entity as defined in the Australian Accounting Standards
- b) the financial statements and notes of the company are in accordance with the *Australian Charities and Not-for-Profits Commission Act 2012* and the *Associations Incorporation Act 2015*, including:
 - i. giving a true and fair view of the company's financial position as at 31 December 2023 and of its performance for the year ended on that date; and
 - ii. complying with Australian Accounting Standards to the extent described in Note 1 to the financial statements and complying with the Australian Charities and Not-for-Profits Commission Regulation 2013
- c) there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

DATED at Perth this Monday April 15 2024

Signed for and on behalf of the Board of Directors by

Ingrid Puzey
CHAIR

INDEPENDENT AUDITOR'S REPORT

To the members of West Australian Ballet Company (Inc)

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of West Australian Ballet Company (Inc) (the registered entity), which comprises the statement of financial position as at 31 December 2023, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial report, including a summary of significant accounting policies, and the responsible entities' declaration.

In our opinion the accompanying financial report of West Australian Ballet Company (Inc), is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (i) Giving a true and fair view of the registered entity's financial position as at 31 December 2023 and of its financial performance for the year then ended; and
- (ii) Complying with Australian Accounting Standards to the extent described in Note 1 and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report. We are independent of the registered entity in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* (ACNC Act) and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter - Basis of accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the registered entity's financial reporting responsibilities under the ACNC Act. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of responsible entities for the Financial Report

The responsible entities of the registered entity are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the ACNC Act and the needs of the members. The responsible entities' responsibility also includes such internal control as the responsible entities determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the responsible entities are responsible for assessing the registered entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the responsible entities either intend to liquidate the registered entity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website (<http://www.auasb.gov.au/Home.aspx>) at:

http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf

This description forms part of our auditor's report.

NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2023

Note 1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation

This financial report is a special purpose financial report. The directors have determined that the Company is not a reporting entity.

The special purpose financial statements have been prepared for the purposes of complying with the *Australian Charities and Not-for-profits Commission Act 2012*, Australian Charities and Not-for-Profits Commission Regulation 2013 and the *Associations Incorporation Act 2015 (WA)*, and Charitable Collections Act 1946 (WA) and associated regulations and other professional reporting requirements. The Board of Directors have determined that the accounting policies adopted are appropriate to meet the needs of the members of West Australian Ballet Company (Inc).

These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB'), the disclosure requirements of AASB 101 'Presentation of Financial Statements', AASB 107 'Statement of Cash Flows', AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors', AASB 1048 'Interpretation and Application of Standards' and AASB 1054 'Australian Additional Disclosures', as appropriate for not-for-profit oriented entities.

The financial statements have been prepared on an accruals basis and are based on historical costs and does not take into account changing money value or, except where specifically stated, current valuations of non-current assets.

The carrying amounts of non-current assets do not exceed the net amounts that are expected to be recovered through the cash inflows and outflows arising from continued use and subsequent disposal. Cost is based on the fair values of the consideration given in exchange for assets. The accounting policies have been consistently applied, unless otherwise stated.

The following specific accounting policies which are consistent with the previous period unless otherwise stated have been adopted in the preparation of this report:

Going Concern

The accounts have been prepared on a going concern basis.

(a) Revenue Recognition

Revenue is recognised at the amount of consideration expected to be received. Box office sales, performance fees and programme sales are recognised in the statement of comprehensive income when it is controlled and service obligations have been performed. Where income has been received in advance for future year performances it is recorded as deferred income in the statement of financial position until the performance has been delivered.

Non-government revenue and grant revenue is recognised in the statement of comprehensive income when it is controlled, unless it arises from an agreement which contains enforceable and sufficiently specific performance obligations. In these arrangements, any funds received are recorded as deferred income in the statement of financial position until such conditions are met or services provided.

WEST AUSTRALIAN BALLET COMPANY (INC)

NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2023

(b) Income Recognition

Donations and fundraising incomes received are recognised when West Australian Ballet gains control of the asset. Bequests and gifts of shares are brought to account on a cash basis or in the case of bequest and gifts other than cash, according to the value of the bequest or shares when the ownership passes to West Australian Ballet.

(c) Production and Performance Repertoire

Marketing and promotional costs are written off as incurred. Other production and performance repertoire costs including those associated with the procuring of sets and costumes are capitalised until the year in which the production is first mounted. Costs of remounting former productions are written off in the year incurred.

(d) Government Grants

Government grants are derived from delivering cultural services performed on behalf of the State and Local governments, whereby the Company has an obligation to deliver such services and programs. These are reciprocal transactions and are initially recognised in the statement of financial position until the period in which the services are provided, having regard to the completion of activities and targets within each program, as specified in the funding and service contracts. Any grants received for services which have not been performed are recorded as deferred income in the statement of financial position.

Grant revenue is recognised in profit or loss when the Company satisfies the performance obligations stated within the funding agreements.

(e) Cash

For the purposes of the Statement of Cash Flow, cash includes cash on hand and in banks, restricted deposits, deposits at call and money market investments which are readily convertible into cash.

(f) Property, Plant and Equipment

Right-of-use assets

A right-of-use asset is recognised at the commencement date of a lease. The right-of-use asset is measured at cost, which comprises the initial amount of the lease liability, adjusted for, as applicable, any lease payments made at or before the commencement date net of any lease incentives received, any initial direct costs incurred, and, except where included in the cost of inventories, an estimate of costs expected to be incurred for dismantling and removing the underlying asset, and restoring the site or asset.

Right-of-use assets are depreciated on a straight-line basis over the unexpired period of the lease or the estimated useful life of the asset, whichever is the shorter. Where the company expects to obtain ownership of the leased asset at the end of the lease term, the depreciation is over its estimated useful life. Right-of use assets are subject to impairment or adjusted for any remeasurement of lease liabilities.

The company has elected not to recognise a right-of-use asset and corresponding lease liability for short-term leases with terms of 12 months or less and leases of low-value assets. Lease payments on these assets are expensed to profit or loss as incurred.

WEST AUSTRALIAN BALLET COMPANY (INC)

**NOTES TO AND FORMING PART OF THE ACCOUNTS
FOR THE YEAR ENDED 31 DECEMBER 2023**

(g) Depreciation and Amortisation of Property, Plant and Equipment

Leasehold improvements are amortised over the period of the lease or the anticipated useful life of the improvements, whichever is the shorter. The amortisation rates used range between 2.5%-5%.

Plant and equipment is depreciated at rates based upon their anticipated useful lives. The depreciation rates used range between 10%-50%.

Right-of-use asset for 134 Whatley Crescent, Maylands is amortised over the period of the 63-year lease.

Right-of-use asset for 79 McDonald Street, Bassendean is amortised over the lease period.

(h) Lease Liabilities

A lease liability is recognised at the commencement date of a lease. The lease liability is initially recognised at the present value of the lease payments to be made over the term of the lease, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the company's incremental borrowing rate. Lease payments comprise of fixed payments less any lease incentives receivable, variable lease payments that depend on an index or a rate, amounts expected to be paid under residual value guarantees, exercise price of a purchase option when the exercise of the option is reasonably certain to occur, and any anticipated termination penalties. The variable lease payments that do not depend on an index or a rate are expensed in the period in which they are incurred.

Lease liabilities are measured at amortised cost using the effective interest method. The carrying amounts are remeasured if there is a change in the following: future lease payments arising from a change in an index or a rate used; residual guarantee; lease term; certainty of a purchase option and termination penalties. When a lease liability is remeasured, an adjustment is made to the corresponding right-of use asset, or to profit or loss if the carrying amount of the right-of-use asset is fully written down.

(i) Trade Receivables

Trade receivables are recognised at fair value and subsequently measured at amortised cost, less provision for impairment. Trade receivables are generally due for settlement within 30 days. They are presented as current assets.

(j) Financial Assets

Investments and other financial assets are initially measured at fair value. Management have made the irrevocable election, upon adoption of AASB 9, to account for equity investments at fair value through other comprehensive income.

(k) Investments in Art

Investments in art are measured on the cost basis.

(l) Employee Entitlements

Provision is made for the Company's liability for employee entitlements arising from services rendered by employees to balance date. These benefits include wages and salaries, annual leave and long service leave. Employee entitlements expected to be settled within one year have been measured at their nominal amount. Other employee entitlements payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those entitlements.

WEST AUSTRALIAN BALLET COMPANY (INC)

NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2023

(m) Income Tax

West Australian Ballet Company (Inc) is exempt from income tax under Subdivision 20-A of the Income Tax Assessment Act 1997.

(n) Comparative Information

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

(o) Impairment of Assets

At each reporting date, the Company reviews the carrying values of its tangible and intangible assets to determine if there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less cost to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

Impairment testing is performed annually for intangible assets with indefinite lives.

Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

(p) Current and non-current classification

An asset is classified as current when: it is either expected to be realised or intended to be sold or consumed in the incorporated association's normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classified as non-current.

A liability is classified as current when: it is either expected to be settled in the incorporated association's normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within 12 months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.

(q) Judgements and Estimates

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below:

Revenue

For many of the grant agreements received, the determination of whether the contract includes sufficiently specific performance obligations was a significant judgement involving discussions with several parties at the company, review of the proposal documents prepared during the grant application phase and consideration of the terms and conditions. Grants received by the company have been accounted for under both AASB 15 and AASB 1058 depending on the terms and conditions and decisions made.

If this determination was changed then the revenue recognition pattern would be different from that recognised in this financial report.

WEST AUSTRALIAN BALLET COMPANY (INC)

**NOTES TO AND FORMING PART OF THE ACCOUNTS
FOR THE YEAR ENDED 31 DECEMBER 2023**

(q) Judgements and Estimates (cont'd)

Fair value measurement hierarchy

The Company is required to classify all assets and liabilities, measured at fair value, using a three level hierarchy, based on the lowest level of input that is significant to the entire fair value measurement, being: Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date; Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and Level 3: Unobservable inputs for the asset or liability. Considerable judgement is required to determine what is significant to fair value and therefore which category the asset or liability is placed in can be subjective.

(r) New Accounting Standards and Interpretations not yet mandatory or early adopted

Australian Accounting Standards and Interpretations that have recently been issued or amended but are not yet mandatory, have not been early adopted by the incorporated association for the annual reporting period ended 31 December 2023. The incorporated association has not yet assessed the impact of these new or amended Accounting Standards and Interpretations.

In March 2012, the Company was granted an initial 22-year lease with two 22-year extensions for peppercorn rent in respect of 134 Whatley Crescent, Maylands. In accordance with accounting standards this contribution has been recognised and measured, based on the difference between the peppercorn rent and the present value of the total lease payments, based on a commercial rent.

In July 2021, the Company entered into a commercial lease in respect of 79 McDonald Crescent, Bassendean. In accordance with accounting standards the asset has been recognised and measured over the initial 5-year plus one 5-year extension period of the lease.
